Dear Sir or Madame,

Thank you for the opportunity to apply for the Graphic Designer role at your company. I was referred to the position by Ryan Corniel. After reviewing your job description, it's clear that you are looking for a candidate that is familiar with the responsibilities associated with the role and can perform them confidently. Given these requirements, I am certain that I have the necessary skill to successfully do the job adeptly and perform above expectations.

I am an enthusiastic, creative, and adaptable design specialist with extensive experience and knowledge in print and production of marketing products and a passion for engaging with people, understanding their needs, and providing assistance. I currently have the privilege of working for Hillview DPM in the Graphic Designer role where I learned valuable professional skills such as design for print, customer service, data entry, and vendor/customer communications. In my professional life, I have been consistently praised as hard-working and helpful by my peers. Whether working on professional or personal projects, I apply proven multitasking, creative thinking, problem-solving and teamwork skills, which I hope to leverage into the Graphic Designer role in MVI Health.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at (408) 849-0024 or via email at rpamintuan222@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Robin Pamintuan
